PAYING YOUR BILL

You are responsible for all legitimate, undisputed charges on your bill. Paying by check authorizes Frontier to make a one-time electronic funds transfer from your account, as early as the day your check is received. When making an online payment, please allow time for the transfer of funds. If funds are received after the due date, you may be charged a fee, your service may be interrupted, and you may incur a reconnection charge to restore service. A fee may be charged for a bank returned check. Continued nonpayment of undisputed charges (incl. 900 and long distance charges) may result in collection action and a referral to credit reporting agencies, which may affect your credit rating.

IMPORTANT MESSAGES

You must pay all basic local service charges to avoid basic service disconnection. Failure to pay other charges will not cause disconnection of your basic service but this may cause other services to be terminated. Frontier Bundles may include charges for both basic and other services. Frontier periodically audits its bills to ensure accuracy which may result in a retroactive or future billing adjustment. Internet speed, if noted, is the maximum wired connection speed for selected tier; Wi-Fi speeds may vary; actual and average speed may be slower and depends on multiple factors. Performance details are at frontier.com/internetdisclosures.

SERVICE TERMS

Visit frontier.com/terms, frontier.com/tariffs or call Customer Service for information on tariffs, price lists and other important Terms, Conditions and Policies ("Terms") related to your voice, Internet and/or video services including limitations of liability, early termination fees, the effective date of and billing for the termination of service(s) and other important information about your rights and obligations, and ours. Frontier's Terms include a binding arbitration provision to resolve customer disputes (frontier.com/terms/arbitration). **Video and Internet services are subscription-based and are billed one full month in advance. Video and/or Internet service subscription cancellations and any early termination fees are effective on the last day of your Frontier billing cycle. No partial month credits or refunds will be provided for previously billed service subscriptions.** By using or paying for Frontier services, you are agreeing to these Terms and that disputes will be resolved by individual arbitration. By providing personal information to Frontier you are also agreeing to Frontier's Privacy Policy posted at frontier.com/ctnetx-privacy.

Connecticut has enacted a new law requiring all telecommunications and wireless providers to collect a monthly fee to support the Connecticut State Treasurer's Firefighters Cancer Relief Fund. Starting January 1, 2026, a fee of \$0.05 per telephone line or VoIP line on your account will be collected and deposited into the Firefighters Cancer Relief Fund. This fund provides financial assistance to firefighters and their families who have been impacted by cancer. You may opt out of this fee at any time by calling 1-800-921-8101. If you do not opt out by December 29, 2025, the monthly \$0.05 fee per line will be applied to your account.
